THE ULTIMATE DRIVING SIMULATOR
– that leaves all other driving games behind!
Hard Drivin' is not just the best game on offer – it's a whole new driving experience.
How would you like to test drive a high powered sports car on a stunt course?
Have you ever jumped a draw bridge or driven a loop-the-loop? Now's your chance!
Or maybe high-speed driving is your idea of excitement. Step on the gas and try to keep control while skidding round the corners. Weave in and out of the traffic and avoid oncoming cars!
This game is easy to learn but hard to master – and will appeal to any age.
Take Hard Drivin' for a test drive today!
WARNING: This is one game that parents could actually win. As a result, there might be short-term damaging effects on young egos... Until they get even!
